Dear Mike and Bryn

I greet you in the name of our Lord and Savior Jesus Christ. I am blessed to have attended the "More Excellent Way to Health Conference- Spiritual roots of Disease Pathway to Wholeness" The new and more appropriate name is "Restoring Lives International".

This conference opened my eyes anew to the healing power of our Lord and Savior Jesus Christ. I learned root causes for Asthma that I have suffered with and for which I was taking medicine. With prayer and accepting the healing power of Jesus, I no longer need the medicine. I do not have Asthma.

I recommend this conference to learn more about God's healing power. We are not like the rest of the world as God's beloved Children. We must allow the work of the Cross-be more active in our health. This is a spiritual and Biblical conference that will change the remainder of my life. This is an excellent conference.

May God grant you More Excellent Health.

In His Service
