Rev. Mark Wright, Pastor

Dear Brothers and Sisters in Christ,

As Pastors and Church leaders, we all know that people are hurting and longing for wholeness. We also know that God alone can fill the deep needs and heal the brokenness of our lives and of creation. So many times though, the Church has not claimed its role in healing through the work of God's Spirit and the power of Jesus Christ. It really shouldn't surprise us that depression, hopelessness, and chronic illness keep growing and growing.

So I am writing to invite you to share with your congregation the ministry of Mike and Bryn Kelly and *Restoring Lives International*. Several of our members have had their lives touched by God through this ministry.

It is a joy and honor for me to invite others to participate with Mike and Bryn and the RLI team in joining with God to restore lives. In a time when it seems like the church has forsaken Christ's call to heal the sick, RLI stands firm in the Word, written and alive today, that God desires health and wholeness for His children and has given us both responsibility and power to claim the fullness of our salvation in Jesus Christ. The leadership team of RLI never claims to have all the right answers, but is plainly committed to seeking a transformed life in the Kingdom of God in humbleness and repentance, while boldly stepping out in faith. It has been a great personal joy for me to welcome them for conferences and training events at KHPC and to join in earnest and joyful "seeking the face of God." As a ministry that transcends denominations and barriers, RLI proves time and again that the Body of Christ is real, unbound and free, capable of demonstrating the love of Christ, and restoring lives from the bondage of sin and sickness to health and hope.

Feel free to contact me by phone (513) 382-0038, or email: marksemail@me.com if I can answer any questions.

Grace and peace to you,

Rev. Mark Wright
