Dear Mike and Bryn,

I miss the opportunities to serve with you in the ministry God has call you to. The two conferences that you held here at RiverTree Church changed my life and many of those that attended. Those that followed up the conferences by attending the Root groups come up as stronger Christians with many of their diseases being healed because they have been able to be set free from the guilt and shame that had over shadowed their life up to that point.

I pray that God will continue to bless you in the awesome ministry of The More Excellent Way.

Thank You for Giving to the Lord
